REPORT NO.

1. Contact with Chilean Communists is maintained by the Communist Party of Argentina (CPA) through CPA members in the Mendoza area, most of whom are railroad employees. Principal liaison agents are believed to be Juan Palavicino and Benedicto Palaitay.
2. Manuel Delicado, probably the most important Spanish Communist Party member in South America, is reported to maintain contact with both Palavicino and Palaitay and, on occasion, to use them to the benefit of the Communist Party of Spain in Argentina.
